A new approach.

THE BUSINESS COMMUNITIES of Castle Rock, Empire, Eureka and Farmington have supported the efforts of the C.E.E.F. Enhancement Group for more than 25 years. Our organization and the residents we serve have benefited from the variety of activities and events made possible by the generous donations and enthusiastic participation of local businesses.

HOST AN EVENT

At this time, we would like to offer a few alternative options we know you'll be excited about, including an **in-kind donation**, **volunteer opportunities** for you and your staff, or plan to **host an event** at your location.

The planning for Rambling River Days events has begun and we are more than willing to assist you in creating the kind of impact that

VOLUNTEER

In order to ensure a successful transition, C.E.E.F. Enhancement Group is moving forward with a new proactive approach. While we are exceedingly grateful to those businesses with the resources to support Rambling River Days through the **Corporate** or **Supporting** sponsorship levels, we recognize that there may be several ways for you to help that may not include a direct financial donation.

CORPORATE SPONSORSHIP

One of our largest and most anticipated yearly events, Rambling River Days, allows local residents and their families to participate in a wide range of activities that appeal to an array of ages and tastes. As our community expands and its business base grows, C.E.E.F. Enhancement Group is aware that a week-long summer celebration will more appropriately meet the needs of our community and allow for participation by more businesses than ever before.

IN-KIND DONATION

suits your business's marketing needs and reaches out to the patrons of our community in a meaningful way.

Please complete and return the form below, and a volunteer from C.E.E.F. Enhancement Group will be in touch with you to discuss the best option for your business.

As always, we **thank you** for your willingness to support Rambling River Days.

To return your response, please cut along the dashed line, fold and tape closed, affix a first class postage stamp and drop in the mail. Thank you.

Prepare your impact.

Take a few moments to share with us how you plan on showing your support.

We look forward to working with you to make Rambling River Days a successful event.

Business: _____

Name: _____

Address: _____

City/State/Zip: _____

Phone: _____

Email: _____

Examples of products/services I am willing to donate: _____

Events my business may be willing to host: _____

I am interested in **Corporate Sponsorship**. Please send me more information on the various levels of sponsorship and the benefits of each.

I am interested in providing an **in-kind donation**. I have identified examples of the products and/or services I am willing to donate in the space to the left. Please contact me to discuss the most effective use of my donation.

I am interested in **volunteering** my skills and talents, and those of my employees, to staff and/or run an event. Please contact me to discuss ways in which my staff will be most effective in supporting Rambling River Days.

I am interested in **hosting an event** at my location. Please contact me to discuss event options that most effectively suit my marketing needs and to book a day and time on the Rambling River Days schedule.

Please feel free to contact Maribeth Vanderbeck at 651-463-4439 or via email at maribethv@charter.net with any questions you may have regarding your involvement.
